EU REACH Regulation (Annex XIV: Authorisation) Declaration

This declaration provides information related to the REACH Regulation (Regulation (EC) No. 1907/2006) for Products sold by us. The REACH Regulation restricts the manufacture, use, or sale of substances listed in Annex XIV (Authorisation List) within the European Union after their specified "sunset dates," unless specific authorisation has been obtained.

We hereby certify that all referenced products have been reviewed against the REACH Regulation (EC No. 1907/2006), Annex XIV (Authorisation List), and declares the following:

- Products that do not contain Annex XIV substances or contain listed substances that have not yet reached their sunset dates, are marked as **Compliant (Yes)** in the table below.
- Products that contain Annex XIV substances which have passed their sunset dates are marked as **Compliant (No)** in the table below, with the relevant Substance Name and Authorisation Number provided.

Version: This declaration is prepared in reference to the latest published version of the EU REACH Annex XIV (Authorisation List).

Part Number(s)	Compliant (Yes/No)	Substance Name	CAS Number	Authorization Number
